Data Dictionary

state_id	Surrogate key for each state
state_code	Two-character post office abbreviation for State. Includes Puerto Rico (PR) and the District of Columbia (DC). *Note: For any data where NDCs are aggregated (e.g. National Totals) the state code is "XX" to represent multiple states*.
total_reimbursement	Sum of all Medicaid reimbursements (in millions of USD) for each state in 2025
total_prescriptions	Total number of all Medicaid prescriptions for each state
total_units	Total number of units (based on Unit Type) reimbursed by the state during the period covered
unique_drugs	Total number of unique medications (based on NDC number)
drug_id	Surrogate key for each unique medication
ndc	Unique 11-digit numerical code maintained by the Food and Drug Administration. Typically contains three sections (labeler/manufacturer code, product code, and package code) separated by hyphens, but is commonly stored without hyphens.
product_name	Product Name as appears on FDA listing form (first 10 characters)
total_reimbursement	The total amount reimbursed by both Medicaid and non-Medicaid entities to pharmacies for the (11-digit NDC) drug in the period covered. This total is not reduced or affected by Medicaid rebates paid to the state. This amount represents both the Federal and State Reimbursement and is inclusive of dispensing fees.
total_prescriptions	Number of prescriptions reimbursed (by the Medicaid Program ONLY) to pharmacists for the (11-digit NDC) drug for the period covered.
num_states	Number of states that had Medicaid reimbursements for each unique medication
year	Calendar year covered by data (2025)
quarter	Calendar quarter covered by data. Valid values are: • 1 = January 1 – March 31 • 2 = April 1 – June 30 • 3 = July 1 – September 30 • 4 = October 1 = December 31. ○ *Note: this data set does not have any 4th Quarter data*
total_prescriptions	Total number of prescriptions reimbursed in each quarter
total_spend	Total amount reimbursed during each quarter
unique_drugs	Number of unique drugs that had Medicaid reimbursements during each quarter
unique_states	Number of unique states that had Medicaid reimbursements during each quarter
